Announcement . . .

This, our 33rd Semi-Annual Sale, probably as many sales as any area Shorthorn Association as ever held. For this event 12 breeders have consigned 64 cattle, 14 good, rugged bulls and 50 females, 26 of these females have calves at foot and 19 are bred, making most of them "the close to profit" kind.

In the catalog, you will find the bulls numbered according to age. Each consignor's females are numbered consecutively.

It will be a dispersion for L. B. Ogden and for Ray Wilkinson's polled cattle. Both of whom we will miss in future auctions. We do welcome three new consignors to this sale, namely O. G. Trimble, Edmund Taylor, and Emery Larson.

We want everybody interested in a better class of cattle to be with us sale day. Calves that sell with their dams will be registered and transferred to the buyer.

We do not have enough steer calves consigned to hold a calf club sale this year. There are several 3-in-1 combinations in the catalog where the calves are calf club prospects.

Mere suggestion is that one of these can be bought, the boy feed the calf, and next year the cow and another calf will be worth as much money as they cost at this time, having the club calf for profit.

Plan to attend the sale, you will not be disappointed in the offering.

General Information

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, October 3, 1960. Sale at 12:30 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.
